Reporting route

Department worker → HOD/lead → minister in charge → finance (for costs/donations) → designated publication approver. Avoid publishing leaders' names without explicit approval.

Cross-cutting SDG mapping

The most plausible SDG relationships are 1, 2, 3, 4, 5, 8, 10, 11 and 17 depending on approved program work. The mapping is not a claim of UN endorsement and should not replace concrete outcome evidence.
